@nichawyee

A creative technologist curious about reimagining how we solve problems using digital concepts to challenge norms and shape more human experiences.

EDUCATION

LASALLE College of the Arts
BA in Design Communication
Class of 2026

Ngee Ann Polytechnic
Diploma in Architecture
Class of 2020

PROJECTS

Petch
Graduation Project
2026

Gamified AI Health Companion
Petch is a gamified AI health companion app for young adults, built on Digital Omotenashi principles. A pet mood-mirror, daily check-ins, and missions bridge the knowing-doing gap.

EXPERIENCE

KStone
June - Present
2025

In House Designer (Freelance/Contract)
In-house designer driving brand and marketing communications across publications and social channels. Shape campaign assets, and content to support company growth.

Freelance
June - Present
